JOURNAL OF

FIFTY-SEVENTH ANNUAL CONVOCATION

The Fifty-Seventh Annual Convocation of the Protestant Episcopal Church of the Missionary District of Arizona convened at 4 p.m. on Wednesday, February 15, 1950, at Epiphany Church, Flagstaff, Arizona, the Rt. Rev. Arthur B. Kinsolving, 2nd, presiding.

After prayers, a member of the Committee on Credentials certified to the presence of a quorum, whereupon the Bishop declared the Fifty-Seventh Annual Convocation duly convened.

By acclamation it was agreed that the roll call should be dispensed with. The Assistant Secretary was instructed by Convocation to cast a single ballot for the Rev. Canon Morton T. Kelsey as Secretary of Convocation, there being no other candidate. The Secretary then appointed the Rev. Donald B. Robinson as his assistant.

The Bishop then announced his appointments to the membership of the following committees to serve through the next Convocation: Credentials and Nominations, Time and Place of Next Convocation and Dispatch of Business, State of the Church and the Bishop's Address, Canons, Committee on Resolutions, Architectural Committee and Marital Relations Board.

The Bishop then appointed George H. Myers of Phoenix as Assistant Treasurer and Executive Secretary, which appointment was unanimously ratified by Convocation.

Reports from the following officers and boards were called for: Secretary (read), Treasurer (read by Secretary), Chancellor (read by Secretary), Board of Directors of the Protestant Episcopal Church Corporation of Arizona (read by Secretary), Council of Advice (read).

Appointments to serve through the next Convocation were then made by the Bishop, as follows: Council of Advice (appointive). Members of the Departments, Examining Chaplains, Ecclesiastical Court, Church School By Mail, Presiding Bishop's Committee on Laymen's Work.

Also the following officers: Chancellor, Registrar and Historiographer.

Convocation then adjourned at 4:50 p.m. until the following morning.

On the evening of February 15th at 8 p.m. a special Convocation Service was held in Epiphany Church, Flagstaff, at which the Bishop delivered his annual address and charge. The offering at this service and other services was designated for Church School By Mail, Deaconess Mary Frances Ward, Director.

February 16, 1950

At 7:30 a.m. there was a celebration of Holy Communion, at which the Bishop was the celebrant.

Convocation re-convened for business at 9:25 a.m., at which time the Executive Secretary read his report.

Mr. George Myers then presented the proposed budget for the Missionary District of Arizona. The Rev. Mr. Ferguson moved that the budget be accepted, seconded by the Rev. Mr. Van Wyck and unanimously carried.

Speaking to Mr. Myers' report, Dean Carman made the following resolution:

WHEREAS, Mr. Dixon Fagerburg, Certified Public Accountant, has given his services to the District in auditing their books, thereby saving the District a considerable sum of money:

BE IT RESOLVED that this convocation's sincere thanks go to Mr. Fagerburg for his generosity at a most propitious time.

This resolution was referred to the Resolutions Committee. A vote of thanks was tendered to the Bishop's staff, Mr. George Myers, Miss Ruth Harmon and Mrs. Raymond Rudolph, for their excellent work.

The Rev. Richard Sumner read the report of the Committee on the Bishop's Address, offering several resolutions which were turned over to the Committee on Resolutions. This report was accepted by Convocation. The Bishop then spoke of the grand expansion of St. Philip's-in-the-Hills and Grace Church, Tucson, which he said he had neglected to mention in his Convocation address. The Rev. Jerry Wallace spoke to the problem of receiving Federal aid for St. Luke's Hospital. This problem was fully discussed by Convocation.

Reports from the following departments were called for: Missions (read), Christian Education (read), College Work (read), Youth (read), Christian Social Relations (received by title), Promotion (received by title), Publicity (read), Finance (received as report of Treasurer and read in the afternoon session).

The report of the Committee on Credentials and Nominations was presented by Chairman and accepted by Convocation. The Secretary was instructed to cast one ballot for Mr. Jamieson as Treasurer of the District and Treasurer of the District Quota.

A motion was offered that those receiving the highest number of votes on the ballot be elected. The motion was carried by acclamation. Balloting then followed, tellers being appointed by the Bishop. The Rev. David Jones presented results of the election:

Board of Directors of the Protestant Episcopal Church Corporation for two years: The Very Rev. James W. F. Carman.

Delegates to Synod: Clerical—The Rev. R. A. Kurtz, The Rev. E. O. Gallagher, The Rev. Richard Sumner; Clerical Alternates—The Rev. Robert P. Frazier, The Rev. Canon Morton T. Kelsey, The Rev. George Wharton.

Lay—Messrs. George H. Myers, Dr. John R. Newcomer, Dan Gerrard; Lay Alternates—Messrs. Curtis P. Donnell, Herman Autenrieth, Mrs. Sam Morris.

Members of the Executive Council: Clerical—The Very Rev. James W. F. Carman, The Rev. David C. Trimble, The Rev. Robert P. Frazier; Lay—Messrs. George H. Myers, Scott Appleby and Dr. John R. Newcomer.

The Bishop then introduced the Chairman of the Presiding Bishop's Committee for Laymen's Work, Mr. Frank Dickinson, who spoke to Convocation of his plans for furthering this important activity. He presented a resolution aimed at receiving money from the National Church for Church Expansion.

The Rev. Jerry Wallace offered three resolutions which he felt should be presented to the Finance Committee:

1. RESOLVED that the budget for Church School By Mail be increased by $50.00 to $550.00. It was agreed by Convocation that this money would be forthcoming without additional appropriation.

It was therefore moved by Mr. Wallace, seconded by Mr. Myers and unanimously carried that this resolution be tabled .

2. RESOLVED that a grant of $200.00 be made to the Youth Department for the continuance of its work.

3. RESOLVED that a grant of $100.00 be made to the Committee on Christian Education for the purchase of study courses, samples of new curricula and visual aids.

The motion was made by the Rev. George Ferguson that all resolutions involving requests for funds by departments be referred to the Department of Finance with the power to make necessary allocations in accordance with the District assessment. The motion was seconded by Mr. Sumner and unanimously carried.

The amendment to the Constitution proposed at General Convention of 1949 was read by the Secretary. The reports of the Registrar and Historiographer were read by title.

The Secretary commented on the difficulty of tabulating the information on parochial reports, which was not to be found on the reports. Discussion of this matter ensued.

There being no reports of special committees, the Rev. Jerry Wallace, Chairman of the Committee on Resolutions, offered the following resolutions:

1. RESOLVED that the Committee on Clergy Placement be discontinued (moved by the Chairman, seconded by Mr. Robinson and unanimously carried).

2. RESOLVED that the Secretary of Convocation be directed to write the Woman's Auxiliary of the National Church expressing the thanks of this body for the grant from the United Thank Offering Fund towards the completion of the building at Ft. Defiance. (Afterwards voted on with the following resolution)·

3. RESOLVED that the Secretary of Convocation be directed to write the Phelps-Dodge Corporation expressing the thanks of this body for the gift of $5,000 for the capital improvement of the Church Conference Center at Prescott. It was moved by the Chairman, seconded by the Rev. David Clark and unanimously carried that the above be done.

4. The resolution thanking Mr. Fagerburg, included earlier in this report, was moved by the Chairman, seconded by Mr. Trimble and unanimously carried.

5. RESOLVED that members be appointed to the Committee on Christian Social Service who could meet on short notice and at regular stated times as a working committee within the larger committee. The motion was made by Mr. Myers, seconded by Mr. Wallace and unanimously carried that this resolution be tabled.

6. WHEREAS the General Convention of the Protestant Episcopal Church meeting in San Francisco in September of 1949, allocated $150,000 to stimulate the expansion of churches in fast-growing post-war communities, and

WHEREAS attached to this resolution is evidence that Arizona is such an area: therefore

BE IT RESOLVED that National Council be requested to include Arizona when such allocations are made.

Arizona is reputed to be one of the fastest growing states in the country. The hopes and prayers of all Church leaders are for self-support, needed for Diocesan-status. The prime objective is obviously to bring people to Christ through our Church. Church buildings are the tools of evangelism. In these small communities there are too few to build these. But they could maintain them. For example:

Christ Church, Florence, needs a rectory for a resident clergyman for five communities.

St. Andrew's, Tucson, needs a Church, three walls of which form parish house and Sunday School rooms where services are held.

St. John's, Williams, has a lot and three thousand dollars for a Church where nine ministers have served in 15 years.

All Saints', Safford, must have a Church some day soon to make the present Chapel a rectory.

The City of Phoenix has grown from twenty to two hundred and twenty thousand since 1915. The Episcopal communicant strength from 550 to 2500. These compose the congregations of Trinity Cathedral, two struggling Missions and two Missions among the Spanish-speaking Mexican-American citizens. The Phoenix churches are bursting at the seams with seating capacity for 745 and 2300 active communicants. The Sunday Schools have accommodations for 510 with an enrollment of 1370.

The Cathedral congregation has overpaid its quota for the last three years, remodeled and repaired the antiquated plant and built a Memorial Chapel. In addition, the congregation has bought a Church site of 2½ acres in the northwest development of the city and presented $6,000 to St. Paul's Mission, Phoenix, for another 2½ acres in the northeast. This Mission with this gift expects to accumulate $25,000 by December 31, 1950.

St. Andrew's, Phoenix, in the southwest, needs a church. Our churches are pathetic compared to other denominations. Our people are loyal, devoted, generous, sometimes poor and discouraged. But the tide is turning. We must build and then win more people.

It was moved by Mr. Wallace, seconded by Mr. Ferguson and unanimously carried that this resolution be accepted.

7. RESOLVED that appraisals be made of all Church properties in the District of Arizona and that such information be placed in the hands of the Secretary of Convocation. Moved by Mr. Wallace, seconded by Mr. Frazier and unanimously carried.

Resolution presented by Finance Committee:

WHEREAS, there is a shortage of $900.00 existing in the funds necessary to continue our work with Spanish Missions in 1950, and

WHEREAS, the committee formerly assisting in the raising of these funds is no longer active, and

WHEREAS, with only a few exceptions all Quota apportionments for the year 1949 have been paid in full and there have been generous overpayments on the part of many parishes and missions, and

WHEREAS, Arizona's quota apportionment by the National Council, as well as all other obligations from this fund have been paid in full, and

WHEREAS, there still remains in the 1949 Quota account a balance of $914.39, and

WHEREAS, at a meeting held January 31, 1950, the Finance Committee approved the action proposed in this resolution and recommended it to the Convocation,

NOW THEREFORE, BE IT RESOLVED, that the balance of $914.39 remaining in the quota account be, and hereby is transferred and set aside for the use of Spanish Missions in payment of their expenses for the year 1950.

It was moved by Mr. Wallace, seconded by Mr. Ferguson and unanimously carried that the following resolution be accepted:

WHEREAS, the amount of money budgeted to be raised by Tempe toward the salary of the Rev. Mr. Robinson for work done at Arizona State College there, has not been forthcoming and there is a definite shortage of funds to meet this deficiency, and

WHEREAS, due to certain economies effected, including a substantial one by the Convocation Secretary in the printing of the Journal, and to the generosity of Mr. Dixon Fagerburg in not making a charge for his auditing services, there is a balance of $297.76 remaining in the Assessment account after all authorized expenditures from this fund, and

WHEREAS, at a meeting held January 31, 1950, the Finance Committee approved the action proposed in this resolution and recommended it to the Convocation,

NOW THEREFORE, BE IT RESOLVED that the balance of $297.76 remaining in the assessment account be, and it hereby is transferred and set aside to be used toward our salary obligation to the said Rev. Mr. Robinson.

The Bishop, speaking on the Committee for the Time and Place of Next Convocation, designated January 31 - February 1, 1951 as the time of the Fifty-eighth Convocation to be held at Trinity Cathedral, Phoenix, Arizona.

The Bishop requested the Rev. George Ferguson to take the Chair, as he was called upon to speak at the session of the Woman's Auxiliary.

The Rev. David Trimble spoke to the problem of Arizona becoming a diocese and offered the following resolution:

RESOLVED that Convocation go on record at this time in accepting another $1,000 in the budget to apply on the Bishop's salary. This motion was made by Mr. Trimble, but as no second was offered, the resolution was not considered.

Recess was called at 11:45.

At 12:05 p m. Convocation re-convened at a joint session with the Woman's Auxiliary. The Rev. Donald Robinson read the report of St. Luke's Hospital. The Rev. John Ellison gave a report on the Episcopal Student Center at Tucson, but had no report to offer for St. Luke's-in-the-Desert. The report of the Church School by Mail was received by title. The Summer Conferences were spoken of by the respective deans, The Rev. Charles Crawford and the Rev. Richard Sumner, who offered the completed programs for both conferences, the young peoples conference to be held June 12-19, the adult conference June 19-28.

Miss Laetitia Viele gave an interesting report on the state of the work in Havasupai Canyon.

The joint session was adjourned until after lunch at 1 p. m.

Convocation re-convened at 2:10 p. m.

The Rev. David Clark gave an interesting report on the work of the Good Shepherd Mission at Fort Defiance.

A motion was made by the Rev. Mr. Atkinson, seconded by the Rev. Mr. Kurtz, and unanimously carried, that greetings be sent to Bishop Seaman, Bishop Mitchell, and Bishop Mize, as well as to all of the District clergy, both active and non-active, who were unable to be present.

Dean Carman spoke to the motion by Mr. Trimble, which had not been seconded, stating that the failure of Convocation to pass Mr. Trimble's resolution was not a desire to remain on the permanent missionary district list, but rather to see all available money spent in increasing the facilities, so that Arizona may become a diocese in the near future.

A motion was made by Mr. Sumner and received by acclamation to send a note of sympathy to the Rev. Mr. Dugan in his recent bereavement.

The Rev. Mr. Kurtz offered a motion to send a note of thanks to the Rev. Mr. Frazier and his congregation for their gracious hospitality. This motion was passed by acclamation.

There being no further business, Convocation adjourned at 2:45 p. m.

BISHOP'S ADDRESS — FIFTY-SEVENTH ANNUAL CONVOCATION

MISSIONARY DISTRICT OF ARIZONA

Church of the Epiphany, Flagstaff, Arizona

February 15 - 16th, 1950

Fellow-workers in the Missionary District of Arizona: May the Grace, Love and Fellowship of the Triune God be with us as we gather in His Name.

We would first express our gratitude to the gallant Mission congregation of Epiphany Church, Flagstaff and their Vicar, the Rev. Robert P. Frazier, and Mrs. Frazier for entertaining this 57th Convocation. We feel that this action speaks not only for this Congregation, but for the Missions of the District and for those congregations of the Northern part of the State. May God bless you for your loyalty and hospitality.

December 31, 1949. It is a great sorrow to Arizona that the Rev. Canon Charles A. Dowdell and Mrs. Dowdell will move permanently to California.

III—Indian Missions

At the Joint Session tomorrow you will hear of both of our Indian Missions from those who administer them.

We are grateful for several gifts that have made possible the completion of the interior equipment of St. Andrew's Mission Chapel, at Supai. Miss Laetitia Viele can soon move into the quarters provided in this building. This spring the Chapel can be consecrated. We will let Miss Viele speak for herself of her needs, the problems and her hopes for the future under the direction of the Rev. Robert P. Frazier. The United Thank Offering of the women of the Church sponsors Miss Viele's salary. This is no sentimental gesture. But the beginning of long, patient efforts to bring Christ to these people, and Christian enlightenment. There remains much to be done to integrate these people into the life of their own country.

At Good Shpherd Mission to the Navajos several events were outstanding.

First is the retirement of Miss Ella Davis, for nineteen and a half years a devoted, friendly, untiring Christian worker among these Indian people. Miss Davis has extended her service beyond December 31st, the date of retirement. She deserves the gratitude and affection which she has earned. She should take with her the admiration and respect of all Christians who know the meaning of the word "missionary." She does take with her the best wishes of this District for her happiness in her retirement.

On December last the United Thank Offering gave a grant of $25,000 towards the completion of the interior of the Thorne Memorial Building. This will make useful the fine structure that has stood with no interior for nine years. It is vitally needed.

The Rev. Davis Given was ordained to the Priesthood November 27th last, the first ordination in the Chapel of the Mission.

A Board of Directors, composed of eight laymen and a clergyman, in addition to the Superintendent and the Bishop, is in process of being organized. A regional Board of Advisors for promotion, composed of interested laywomen scattered over the whole country, is also being brought into being. The organizational meeting of this Board is planned for March 3rd next.

IV—Mexican-American Missions

The parent Mission of San Pablo, under the Rev. Mr. Walter Dugan, is going forward once again following the vacancy due to the Rev. Mr. Gregori's resignation. The activties of the congregation are widespread under the social vision of the Rev. Mr. Dugan, and there are definite hopes that the building fund, being held at National Headquarters from the Birthday Thank Offering of several years ago, may soon be augmented and a really presentable Church building erected. Nearby there is being constructed a very fine municipal playground, which will benefit the Mexican-Americans in that area. The Planned Parenthood Clinic continues to meet in the parish house on stated occasions.

The Mission of El Buen Samaritano, under the Rev. Francis Sullivan, has shown enterprising activity in organizing a most creditable vested choir, raising the funds to purchase a new organ, resulting in invitations to several different occasions where they have rendered Choral Church Services in Spanish. The Golden Gate Settlement, Community Chest sponsored playground, is conducted on the Mission property, and with the use of some of the buildings. This has required adjustment, which has been made satisfactorily, and produces a center of much-needed, helpful activity in that area. A voluntary Osteopathic Clinic has been diagnosing the medical needs of those who come, meeting several evenings a week. Too much cannot be said in praise of Mrs. Sullivan, the Vicar's wife, who conducted through the heat of the summer a children's vacation school, which maintained a steady attendance throughout, and in spite of the great heat. This work among our Spanish-speaking neighbors deserves the extra support you are going to be asked to give them in tomorrow's financial deliberations.

V—Summer Conferences

The Conference for the Young People's Fellowship and those of High School age will take place at the ARIZONA CHURCH CONFERENCE CENTER at Prescott on June the 12th to the 19th. The Rev. Charles Crawford of St. Paul's Church, Yuma, who is Dean, will report on the plans and is ready with a printed program of the same. Every member of this Convocation can help emphasize this Conference by trying to make it possible for a definite delegation from each Congregation. These young people represent the future of the Church.

The Family Conference, with the Rev. Richard Sumner as Dean, will follow immediately on the dates of June 19th to 28th. May I say that, due to the generous gift of $5,000 from the Phelps-Dodge Corporation, there are several facilities being planned to make the Center more comfortable? We do hope that another fine Conference will be conducted. It is an effort that always seems justified when the Conferences are completed.

A considerable time after these dates had been chosen and plans laid, an invitation to all the clergy of this Province was sent out for a regional clergy conference at the Hermosa Beach Biltmore Hotel, Hermosa Beach, Calif. from June the 5th to the 9th, 1950. This came over the signature of the new Secretary of the National Department of Religious Education, Dr. John Heuss. It is my earnest hope that every presbyter in this District, who is not involved with our own Conferences, and even those, if they can do so, will make every effort to attend this

Conference. Your expenses at the Conference will be provided. The question of travel to and from this suburb, just outside of Los Angeles, may be a serious one to many of us, but I will make every effort to raise the funds to pay at least half of the clergy fare to and from this gathering, for the Vicars of Missions. Combining transportation will minimize cost.

VI—Our Hospitals

St. Luke's-in-the-Desert, Tucson, continues to function under the superintendency of Mr. Herman Rasche and the direction of a conscientious Board, and the tremendous financial aid of the Board of Visitors, composed of a group of devoted ladies who give constant attention to the welfare of the patients, who are limited to convalescent male cases, with thirty beds constituting the full complement. They also sponsor the Annual Benefit Ball which helps so materially.

Contributions have been received for this hospital towards the expansion of the same and it is hoped that in the future it can give wider service to women as well as men. There is no limit to the endowment needed for the free care of needy patients. The Rev. John W. Ellison is Chaplain of this Institution.

St. Luke's Sanatorium of Phoenix has changed its name to St. Luke's Hospital, for reasons of policy. There are eighty-two beds in this institution; it has been magnificently administered and promoted by Mr. Carroll Phelps, who is constantly pushing the Board and all interested friends into more activities and promotion for a desperately needed unit to provide forty additional beds for the needs of Maricopa County in the field of tuberculosis.

About $55,000 is in sight for this new unit and we need $70,000 more. The Government will duplicate every dollar we raise for the next few years. We are happy to announce that the Rev. Donald B. Robinson is residential Chaplain of St. Luke's, Phoenix.

VII—Arizona Church Record

Under the editorship of Mr. Curtis P. Donnell, the "Arizona Church Record" is reaching every person on the District Mailing List about six times a year. It is not a pretentious publication; there are many things we would like to publish, but there is not room. But it is a solvent publication, it reaches our people, including the list of the Church School by Mail, in the furthest corner of the State. The reading time for this pamphlet is short, due to an efficient editorial condensation. We owe Mr. Donnell our loyal cooperation in sending him important news, care of the District Office. But we owe him more in gratitude for volunteering his services and his talents to help the Church in this way. He intends to be present at this Convocation and will report the same in the next issue.

VIII—College Work

There are about one thousand students in our three State Colleges who have expressed Episcopal preference. There is general agreement on the strategic importance of Church work among undergraduates in our colleges, where so much of the leadership, both lay and clerical, must be developed.

The Arizona State College of Flagstaff has a number of students of Episcopal preference, and our host, the Rev. Robert P. Frazier and the congregation of this Church, minister to them and have continued the organization of the Canterbury Club, which has run for some years. There are members of the faculty of that institution that form a valued part of the relationship with this Congregation.

The Arizona State College at Tempe, Ariz., some twelve miles from Phoenix, presents a more complicated challenge, because of some 175 students of Episcopal preference, about 125 live in Phoenix or Mesa and attend the Church there. The Rev. Donald B. Robinson has been conducting Services at the Danforth Memorial College Chapel in addition to his duties as Vicar-in-Charge of St. Paul's Mission, Phoenix and Chaplain at St. Luke's. There are a few members of our Church in the community of Tempe and certainly the future should produce a Church for that attractive college town. We do need a witness through the Church there.

The St. Paul's Memorial Chapel and Episcopal Student Center at the University of Arizona has been a dramatic answer to a manifest need. During the past summer the patio, wall and the central concrete floor of the patio has been completed, with an outdoor altar on one side and other attractive features. The landscaping has not been completed and some very attractive plans for shade trees and gardening are awaiting those generous contributions that make such things possible. It was difficult to lose the Rev. Mr. Layher last summer, who resigned on account of his health. But we were fortunate in finding the Rev. Mr. John W. Ellison and his family to

take his place. The problem of reaching some 700 students will always be difficult. The question of support will always be one that cannot be met entirely by the students and members of the faculty and their families and others who might form a congregation. A recent letter was sent out by the Bishop to each student who indicated Episcopal preference, asking them whether they thought the presence of the Episcopal Church on the campus was worth a contribution of about 10 cents a week. The result has not been very encouraging. It is suggested that the clergy and and parents of students going to these colleges do everything in their power to put before these young people the need of loyalty to the Church on the college campus.

It is realized that the average student does not have a great deal of money. But it ought to be part of academic training to realize that the Church has to be supported. If half of the students did contribute 10 cents a week, it would lift a tremendous burden from those who have to raise the money to support the enterprise. A beautiful plant has been given for the students. Four fifths of the budget is underwritten for them.

IX—Missionary Objectives

The supreme missionary objective is to bring people to Christ, through the medium of His Church. This spiritual enterprise must be carried forward by the use of spiritualized, practical tools. The whole National Church is sharing very generously in supporting much of our work. We are all hopeful of becoming independent. But it seems to me that the first step towards this is in building. We must have better tools in our Missions. Here are some of the needs that have been placed before me: Christ Church, Florence, needs a rectory; St. Andrew's, Phoenix, needs a Church; St. Andrew's, Tucson, needs a Church; All Saints, Safford, with a minute Chapel and bedroom kitchenette, needs a Church; St. John's, Williams, has a lot and needs a Church; and all these needs, in the face of the accomplishments we see all about us on the part of other Christian fellowships!

In this connection I am constrained to commend the wonderful vision and the generosity of the Cathedral Congregation in Phoenix. Two years ago they bought lots for a new Church in the northwest of their growing city. Just recently, they passed a resolution, presenting $6,000 to the Congregation of St. Paul's Mission, Phoenix to buy lots in the northeast section of the city, enabling that congregation to sell their present location for about $10,000 and put about $6,000 in addition, to new buildings. We must develop our Church in the urban centers. This is not all. The present grant of $25,000 will not entirely complete the Thorne Memorial Building at Good Shepherd Mission. St. Luke's Hospital, Phoenix, needs $70,000 more.

All these might be considered impossible situations, but for the miracles that have occurred in the past. There was an amazing amount of support that Bishop Atwood was able to bring into the Church in this new country. The way certain enterprises have been kept alive is miraculous. Do we realize that five years ago we were giving $7,500 to Missions and today we are prepared to underwrite a Missionary Quota of almost $19,000? We will need great courage and great devotion! These always provoke generosity.

X—Offerings

The whole financial structure for the support of the Church is based on the free offerings of people for God's work. There was a superb advance made during the past year. There is at present a balance of $900 in the Missionary Quota over and above the items budgeted for the National Church and for our own Missionary expansion, and I am going to ask, through the Executive Secretary's report, that you dispose of this overplus for a missionary cause.

Through careful administration and some reduction in costs, there is a balance of $200 in the Assessment Account. This also can be used for a missionary's salary, as recommended by the Finance Committee. There were only three congregations in the whole District that did not meet their full Quota last year, and I happen to know that in each case there were emergencies, on top of the most earnest effort to meet these contributions. But they were tremendously overbalanced by overpayments on the part of many other congregations. For this, we thank God and take courage.

At this point, may I beg every one of you to take back to your congregations the full dedication of this Convocation to the great offering on the third Sunday in Lent, March the 12th, known not only in our own Communion, but in many, many other Christian bodies, as 'The One World in Christ" offering? Many congregations

have placed your proportionate share of this offering in their budgets, and we are thrilled to hear that it has practically been underwritten in the Fall Every Member Canvass. This gives the greatest encouragement.

But I do beg every congregation to make every effort to hear the Presiding Bishop's address, either over some national broadcasting work, or through recordings, which will be provided by the Department of Promotion. If you have included this extra offering in your budget, at least dedicate the loose offering on that Sunday to this great cause. Let your people share in Corporate Fellowship of the Holy Spirit that day.

When the Presiding Bishop, the Right Reverend Henry K. Sherrill, D.D., was elected in 1946, a group of clergy and laymen, representing all parts of the Church, went to him and said, almost in preemptory terms, "We want real leadership; we want to go ahead, and we want you to lead us." It does seem to some of us who have watched the Church for some time, that he has answered that challenge, and challenged us to follow the path of vision along which he is walking. He recently recovered from a major operation to find that over half the Churches in America were not using the literature for this "One World in Christ" offering. This is not a happy experience for one who is convalescent; it is not sentimental hero worship to cooperate with a chosen leader, whose daring action has been voted by the representative legislative body of the Church—The General Convention. In addition to these things, his personal and official solicitude, and that of the National Council that he heads, for this jurisdiction demands of us the utmost effort and loyalty in this great national, and international, effort.

XI—Committee for Laymen's Work

Three years ago, the Secretary for the Presiding Bishop's Committee on Laymen's Work spoke to our Convention. This Layman's group has been in inspiring part of the advance of the Church in many areas. Arizona was, until recently, the only Missionary District without a branch of this Committee.

During the Convocation it will be my privilege to present to you the District Chairman of this Committee in the person of Mr. Frank Dickinson, traveling representative of Peterson-Brooke-Steiner & Wist Supply & Equipment Co. for the whole State. He has consented to undertake this work for which the travels incident to his work fit him so well. He is a young salesman of vision and three years' experience in our Church. He will have few antique inhibitions. He cannot work without the cooperation of the clergy first. He must have key men in each congregation to cooperate with him.

XII—Displaced Persons

In line with the international vision, may I call attention, briefly, at this moment to a very poignant appeal that has come to our country and our Church from the displaced, homeless people of war-torn Europe? The Episcopal Church undertook to take 1200 displaced persons, or families, and assure their transportation from the port of debarkation and their supervision and help in finding work for them, and places to live, for a period of five years. Humbly, I accepted for Arizona ten persons, or families. You have been informed of this through letters to your clergy and to date I have reasonable assurance that four or five have been placed. This matter should be handled by the Department of Christian Social Service, of which the Rev. Mr. Walter Dugan is the Chairman, and I hope that every one will correspond with him and that the clergy will give the widest possible publicity and information concerning these needy people and find places for them.

XIII—Conclusion

Finally, my beloved fellow-workers in Christ, we cannot be sentimentally oblivious to the darkness of the world's picture. Old and young people are filled with forebodings and pessimism, which are the forerunners of despair. At times it is like an air-flight at night over some vast area. So often I have looked down from thousands of feet and suddenly there appears one little kindly light in that darkness. "So shines a good deed in a naughty world"; so shines the Light of the world, which is Christ, in the darkness of human sin and pathetic international failure.

What's the use? so many say, in the face of such uncertainty. There is the story of Ignatius Loyola, training a school of young men to become the first missionary Jesuits, and he was playing football (perhaps an antique version) with them. During an intermission, one of them said, "I wonder what each one of us would do if informed that they had six hours to live?" The answers were varied. At the end

of the discussion, Loyola was asked his opinion. He answered, "Of course the first thing I'd do is, finish the game."

I have talked to men of great influence, success and responsibility only recently. Some of them expressed their great satisfaction that they would not live through the next twenty-five years. It is essential, even in the smallest gathering of people, to point them to the Light of the World that lightens our darkness. We need, the world over, the inner serenity of faith. Remember the Collect for the twenty-first Sunday after Trinity, written by a Bishop of Rome who had literally led troups for weeks of desperate fighting, to save that city which at that time, in the face of the Gothic invasion, was the last stronghold of Christendom. During a pause in these desperate days, he went into his Chapel and wrote this prayer, with which we close:

"Grant, we beseech Thee, merciful Lord, to Thy faithful people, pardon and peace that they may be cleansed from all their sins, and serve Thee with a quiet mind, through Jesus Christ our Lord.

Amen."

REPORT OF SECRETARY OF CONVOCATION

Your secretary of Convocation for the period between the organization of the 56th Convocation and the convening of the present Convocation begs to present the following report:

With regret the secretary accepted the resignation of the Rev. Canon Charles A. Dowdell as assistant secretary and with the approval of the Bishop, the Rev. Donald Robinson was appointed to assist your secretary. He has been of great help.

As the triennial report was compiled for the General Convention just past, it was found that there was no adequate material available in regard to property values for the churches throughout the Missionary District of Arizona. There is no complete file. It is suggested that the following resolution be considered by Convocation:

RESOLVED, that appraisals be made of all church properties within the District of Arizona and that information be placed in the hands of the Secretary of Convocation.

This last year has been a year of growth in Arizona. Here are the nearly complete statistics:

	1948	1949
Baptisms	654	687
Confirmations	519	616
Marriages	195	153
Burials	282	264

REPORT OF CHANCELLOR

TO BISHOP ARTHUR B. KINSOLVING, 2nd, AND CONVOCATION:

During the past year I have attended meetings of the Board of Directors of the Church Corporation and the Department of Finance, and all other meetings at which my presence has been requested.

I have attended to all matters of business referred to me and have also had numerous conferences and given advice on numerous other matters.

I believe that all of the affairs of the Church Corporation, and all matters relating to the church of which I have any knowledge, are in excellent condition.

Respectfully submitted,
CHAS. A. CARSON, Chancellor

REPORT OF COUNCIL OF ADVICE

The Council of Advice met once during 1949. On May 25th the group met at Westward Ho Hotel for lunch, and passed a resolution advising the creation of a mission at St. Paul's Memorial Chapel, Episcopal Student Center, Tucson.

JAMES W. F. CARMAN, Chairman

REPORT OF THE EXECUTIVE SECRETARY

Let me take this opportunity to congratulate all of you on the splendid showing during 1949 in the payment of Quota and Assessment apportionments. There was just one mission which failed to pay its Assessment in full and only three congregations could not meet their full Quota figure, and in each of these cases there were extenuating circumstances. Many churches made substantial overpayments on the Quota, and others gave their lenten mite box offering in addition to the full amount of their Quota. It has been notable that those churches following the practice of paying one-twelfth of their Quota and Assessment each month are less apt to have

difficulty toward the end of the year, and we recommend the adoption of this plan by all of you. It has the further advantage of bringing in a pro-rata amount of our income each month so that we are better able to meet our expenses as they are incurred. Final figures on the Quota and Assessment for 1949 will appear in the next issue of the Arizona Church Record.

While on this subject, I would like to call your attention again to the fact that the Assessment is a legal tax and, if not paid by the end of the year, carries over and must be paid in the following year.

We have been doing considerable work on the insurance carried on various church properties around the state, and feel that the coverage has been improved in many places. Only recently, the roof of the rectory at Nogales was damaged in a wind storm and we found (afterward) that it was not insured for extended coverage, which includes damages by windstorm. If any of you are not carrying the extended coverage endorsement on your fire insurance policies, we recommend that you do so, before there is further damage by wind, hail, explosion, etc.

As has been the custom, detailed financial reports for the year just closed have been filed with the Secretary of the Convocation and these will be printed in the Journal.

I would like to stress again that all offerings and other remittances destined for outside the state be sent through the district office at Phoenix so that we may have a complete picture of what is being done by the Church in Arizona. You will receive full credit and the remittances will be forwarded in your name.

We wish to thank you all again for the nice cooperation we have been receiving and hope you will feel free to call on us at any time we can be of service.

Respectfully submitted,

GEORGE H. MYERS, Exec. Sec.

REPORT OF COMMITTEE ON THE BISHOP'S ADDRESS AND THE STATE OF THE CHURCH

Your Committee on the Bishop's Address and the State of the Church is gladdened by the many evidences of advance in the work of the District at this, the end of five years of our Bishop's administration, and there is every evidence that this progress can be continued at an accelerated speed. We would call for resolutions of gratitude to the Woman's Auxiliary of the National Church for a grant from the United Thank Offering Fund which completed the building at Ft. Defiance, and also to the Phelps-Dodge Corp. for its grant of $5,000 for the capitol improvement of the Church Conference Center in Prescott.

In view of the serious need for the additional wing to St. Luke's Hospital, Phoenix, and the continued willingness of the Federal Government to contribute $1.00 for every dollar we can raise for that project, we should like to hear whether there are any present plans for a drive to raise our portion of the moneys. No doubt there are some plans in process for action.

Your Committee would heartily commend the specific listing by the Bishop of various Church needs throughout the District. The listing serves admirably to focus the thought, the effort, and the prayers of us all. We note with pride the bringing into our District of six new clergymen to expand our work. These concrete things that should be done in the future, when set against the equally concrete list of things now accomplished, show us how, when the attack is made, the results desired can be obtained. We trust that within the next five years the things now needed will be listed as things achieved.

The excellent response of our parishes and missions to the Quota, and the utterly meritorious action of the Cathedral Vestry in appropriating funds for District expansion shows us all what can be done where there is vision, leadership and the will to expand.

Respectfully submitted,

RICHARD L. SUMNER, Chairman

REPORT OF THE DEPARTMENT OF GENERAL AND DISTRICT MISSIONS

The Department did not meet during the year.

The Rev. O. W. Nickle, chairman of the Department, left the District in September, and the Bishop appointed the Rev. Robert P. Frazier to take over the chairmanship.

The quota for General Missions has been paid in full.

All the Missions in the District are having regular services. The Rev. George E. Gooderham is ministering to Trinity Church, Kingman, from his residence in Flagstaff.

The pipe organ from Christ Church, Jerome, which has been closed, has been installed in Epiphany Church, Flagstaff; the organ from Epiphany has gone to St. John's Church, Williams; and the organ from St. John's is now in use in Trinity Church, Kingman. A fair exchange all around.

Respectfully submitted,
ROBERT P. FRAZIER, Chairman

REPORT OF THE DEPARTMENT OF CHRISTIAN EDUCATION

The Department of Christian Education submits the following report.

1. The proposed program and budget of the National Council relating to Christian Education were endorsed by General Convention. This action marked the recognition that the six most precious years of a child's life are gone before he reaches Church School. A child must realize that he is a child of God from the very beginning if he is to develop into a child of God in maturity. So the new Church curriculum will begin in the home.

A careful study of the endorsed program and curriculum is essential as a preparation for its future use.

2. Teacher Training groups are urged in parishes, also we encourage sharing in any of the regular community leadership training schools conducted in any area.

3. The week-day Parish School, St. Luke's Day School, is now in its second year at St. Luke's, Prescott, and reports valuable results, 25 enrolled, 2 teachers, 2 classes. The custom of paid or free parish schools is one of the first methods of reaching unchurched children. Each year between 25 percent and 33 percent of the new children enrolling in weekday schools have never been to Chuch Schools and do not come from Christian homes. This is one of the great opportunities for the Church.

4. We urge that Group Study courses published by the National Department of Christian Education be used in all parishes. Whenever these have been used according to the plans suggested, they have proved invaluable. Your department is endeavoring to secure courses for Lenten Sunday evening forums.

5. The Summer Conferences continue to be the finest method of Christian Education and Evangelism. Attendance has been only fair. Every parish and mission should plan now to be adequately represented this year.

6. The response to the Birthday Thank Offering has not been general. Your department suggests that the occasion of the presentation of offerings, when birthdays occur, be recognized at the Church School session with a specified prayer and dedication.

7. The use of the godparents certificate and full instruction of parents and godparents, together with the presenting of material to parents for later teaching of their children, are all urged.

8. The Department appreciates the growing efforts to observe the Christmas Festival in a truly Christian manner in all our parishes. A suggested method of keeping Christmas in a Christian home is being developed.

9. The department requests a grant not exceeding $100 for 1950 for the purchase of study courses, samples of new curricula and visual aids.

Respectfully submitted,
E. O. GALLAGHER, Chairman

REPORT OF THE DEPARTMENT OF PROMOTION

The Department of Promotion exists to stimulate interest in the programs of the other departments of the Church. No department asked for help with its plans during 1949. However, as a clearing house for our National program, we undertook the promotion of two enterprises:

1. The Presiding Bishop's Fund for World Relief,
2. The Every Member Canvass.

Every member Canvass material was again described in a Supplement to Parish Helps. Seventeen Arizona Churches ordered the following from the Department: 5500 mailing pieces (sets) and 4500 calendars.

The Department through its Chairman presented at the Fall clergy conference the Advance Program adopted by General Convention. The Department was instructed to take whatever measures were necessary to cooperate with the National Church program, "One World in Christ." This program, to take place in January, February and the first half of March 1950, is designed to acquaint our people with the needs of our missions overseas and at home, and of the Department of Christian Education. It will be climaxed by a nationwide broadcast by the Presiding Bishop to all Episcopal congregations on March 12th, 1950. Free literature from the National Council's Department of Promotion was ordered by nine churches: St. James', Morenci; St. Philip's-in-the-Hills, Tucson; St. Paul's, Yuma; Epiphany, Flagstaff; St. John's, Williams; St. Andrews and Trinity Cathedral, Phoenix; St. John's, Globe, and St. Andrew's, Nogales.

Presiding Bishop's Fund for World Relief

The method used to raise this fund in 1949 was an offering taken on March 27th following a nationwide broadcast the preceding Saturday evening, entitled "One Great Hour." The program was sponsored jointly by our Church and all others who cooperate with Church World Service. Thirteen Churches ordered the following materials for the Program: Invitations, 4,285; Presiding Bishop's Fund Offering Envelopes, 5,695; Presiding Bishop's Fund Postcards, 4,310; stickers, 2,500. $4,545.28 was received for the Fund from Arizona Churches. In addition, $1,811 was subscribed for "Great Scenes from Great Plays."

Respectfully submitted,
JAMES W. F. CARMAN, Chairman

REPORT OF THE DEPARTMENT OF PUBLICITY

This Department continues to work in close cooperation with the Bishop's office and the Department of Promotion.

During the past year, thanks to the cooperation of the Clergy and Woman's Auxiliary, five issues of The Arizona Church Record were published, using up the entire $700 appropriation and digging rather deeply into the reserve.

As a matter of fact, there is now in the reserve only $56.89. We started last year with $143.90 in that fund .

The plan followed last year in naming each issue in accordance with the Church Kalendar designation will be continued this year. We feel that it is a good Adult and Religious Education program.

Your chairman has prepared numerous press releases during the year on District activities of general interest which have gone out over the wires of The Associated Press.

The Bishop appointed your chairman as correspondent for the church publications, such as Forth, The Living Church, The Churchman and The Southern Churchman. Items have been sent to these from time to time, but more could be done along this line, and your chairman will try to do more this year if he is continued as correspondent.

It is recommended that the sum of $700.00 be assessed for publication of The Arizona Church Record for 1950.

Respectfully submitted,
CURTIS P. DONNELL, Chairman

REPORT FOR THE COMMITTEE ON COLLEGE WORK

Flagstaff, February 15, 1950

Your committee begs to report that we have student Chaplains now at all three State Colleges in Arizona: Rev. Don B. Robinson at Tempe, Rev. John W. Ellison at Tucson and Rev. Robert P. Frazier at Flagstaff. Services are held in the College Chapel in Tempe at ten o'clock every Sunday and sometimes during the week. There are 160 registered Episcopalians in the College and a number of Church people reside in the town. There is a Canterbury Club in operation.

In Flagstaff State College there are 45 registered Church persons and a flourishing Canterbury Club, which includes those of other faiths. Some members of the Club sing in the Choir. At Tucson, the student work at the Center is carried on by the local Chaplain, who probably will present his own report. Our committee plans to hold a spring meeting on the Sunday after Easter in Prescott, to which colleges are asked to send possible candidates for the ministry and other Christian work from their parishes. The Conference will have a suitable leader. Hospitality will be cared for, and details will follow later.

Respectfully submitted,
DAVID C. TRIMBLE, Chairman

REPORT OF THE DEPARTMENT OF YOUTH

The Youth work of the District of Arizona suffers from the handicap which wide open spaces place upon all of the work done on a District-wide basis. However, it is to be reported that the officers of the District Y. P. F. have done much this year to stimulate interest and projects throughout the District. This largely through letters direct to young people themselves. As a result the Young people at their convention this fall adopted a goal of $200 for a District Youth Fund, half of it to be used for the expenses of a guest teacher at the Youth Summer Conference and half of it to be set aside for such expenses as those of sending youth delegates to Provincial Synods or to National Conventions. In this we have evidence again that the young people wish to pay their own way. However, it is the feeling of the Department that $200 should be allocated by the Convocation to this Department for whatever needs arise. This item was well used by the Department this past year in sending delepgates to the Synod and National Convention. Inasmuch as the triennial convention next will be held in Boston it is not too soon to be setting aside some fund to provide for the expenses of delegates.

Further evidence of the work done by the officers of the Y. P. F. in stimulating interest around the District is found in the large offering sent to the National Council for the youth project of the St. Francis' Boys' Home. The sum totalled more than $200. It is also to be found in the well attended and beautifully conducted Youth Convention in Prescott during the Thanksgiving holidays . . . and in the support promised for the Summer Conference at Prescott. A group of young people has promised to assist in the readying of the camp this spring. With the continued leadership afforded by the young people themselves and the cooperation of those others responsible for the growth of Youth Work in the District, we can expect that though the handicap of wide open spaces may not be overcome, it will be lessened.

As there has been no meeting of the Youth Department this year, this report may not be considered official. However, it does represent the considered opinion of the various members of the Department. The signs are encouraging.

Respectfully submitted,
RICHARD L. SUMNER, Chairman

REPORT OF THE DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

The Department of Christian Social Relations has continued its sponsorship of many organizations, groups and institutions, such as:

The Save the Children Federation

Our Church continues to provide much of the leadership of this group in Arizona; both the Phoenix and Tucson work rooms are directed by Church women and many offices are held by our people. We have helped in the organization and opening of the new workroom in Tucson.

The Arizona Town and Country Church Conference

This Conference, started under the leadership of this department, is to hold its 4th annual meeting at Tempe College from May 2 - 4, instead of the week after Easter, as in other years. We hope this change will make it possible for our priests to attend. Samuelson had hoped to come, but has suggested other very able leaders instead for this year, and hopes to be with us next year. He offers scholarships through the Bishop's office.

The State Council of Churches

We have aided this council continually in the interests of Church unity.

Race Relations

We have cooperated with The Arizona Council for Civic Unity, the Urban League and the N.A.A.C.P. for the betterment of conditions among minority groups. Courses of study and discussion have been conducted in parishes and at the summer conferences. The chairman has worked up an outline similar to the one used on Marital Relations.

Displaced Persons

Arizona has accepted a quota which can only be met by finding places, work and sponsorships for these needy people. We urge our parishes and missions to take on even more than we have pledged ourselves for.

Planned Parenthood

One of the two Phoenix clinics is conducted in San Pablo Mission. Our Church in Arizona has always furnished leadership in this movement.

Federal World Government

We urge the continuation of study groups in our parishes and missions of Federal World Government, the United Nations' Declaration of Human Rights, International Control or Abolition of the Atomic and Hydrogen Bombs and other super-means of destruction, the enactment and enforcement of world law and similar topics.

We highly recommend the study of the Bulletin "Christian Social Relations at General Convention, 1949," issued from 281.

We further recommend the appointment of members of this and other departments only after consultation with the chairmen of the departments in order that a "working" group might be brought together. This department has not met, and could not have met this year—as a department.

Respectfully submitted,
WALTER H. DUGAN, Chairman

REPORT OF THE CLERGY PLACEMENT COMMITTEE

The Clergy Placement Committe of the Missionary District of Arizona through its Chairman presented to the Synod of the Pacific meeting in Seattle last May a proposed change in the Canons of the Church to provided for priests to be subject to placement under their ordaining Bishops for a period of three years following their ordination to the Priesthood. Such a Canon had been passed by the lower House of the General Convention in 1946.

The proposed change was not allowed to come out of the Committee on Canons of the Synod and was therefore never acted upon.

Your Committe believes that since it was never set up through District Canons in this District, and since its attempts on two occasions to alter the Canons of the General Convention have met with failure, your Committee on Placement of the Clergy in this District of Arizona should be discontinued.

Respectfully submitted,
DAVID C. TRIMBLE, Chairman

THE GENERAL CONVENTION

Every Bishop of this Church having jurisdiction, every Bishop Coadjutor, every Suffragan Bishop, and every Bishop, who under an election to an office created by the General Convention, has resigned his position, shall have a seat and a vote in the House of Bishops. Every other Bishop who has resigned his position shall have a seat without vote in the House of Bishops. A majority of all Bishops entitled to vote, exclusive of Foreign Missionary Bishops, shall be necessary to constitute a quorum for the transaction of business.

REPORT OF THE REGISTRAR TO CONVOCATION 1950

February 1, 1950

The Registrar begs to report that he has endeavored to fulfill the canonical requirements of his office for the Convocation year. Chiefly these were receiving and filing diocesan journals from other jurisdictions; maintaining the file of The Arizona Church Record.

As a part of his report the Registrar offers the following resolution: "Resolved, that the Registrar be permitted, and he hereby is, to dispose of the Journals of other jurisdictions than Arizona now on file in the Archives ante-dating the past ten years, or such other period of time as may be deemed advisable, and this procedure be made a working principle."

Because your Registrar decided to change his residence to another state, he early last fall begged his Bishop to consider another to succeed him. This has been done and so your Registrar retires after twenty-three years in this capacity.

Respectfully submitted,
CHARLES A. DOWDELL, Registrar

REPORT OF THE HISTORIOGRAPHER TO CONVOCATION 1950

February 1, 1950

The Historiographer begs to report that there has been no special activity in his office during the year.

Respectfully submitted,
CHAS. A. DOWDELL, Historiographer

SUGGESTED OUTLINE FOR PRESENTATION FOR PRESIDING BISHOP'S COMMITTEE ON LAYMEN'S WORK

1. The objective of this Committee is to remain an advisory organization throughout the Church, under the bishops and clergy, to cooperate and stimulate the laymen by presenting to them the challenge of the Church. It is not to be a rigid organization.

2. There is obvious need for man power in Arizona. More and more women are being elected to Vestries and Bishop's Committees, which women do this work as well as the work of the Woman's Auxiliary.

3. The Bishop has appointed me Chairman, and it is proposed to have four regional chairmen in Arizona, with one key man for each congregation, the latter recommended and approved by the clergyman in charge.

4. This work can include all organizations—Vestries, St. Andrew's Brotherhood, Men's Clubs, etc.

5. This Committee has distributed the following four pamphlets for the guidance of laymen: Evangelism Is Your Business; So, You Are A Vestryman?; 101 Things A Layman Can Do; If I Were A Layman. Sermons For Layreaders.

6. The National Committe has emphasized the Advent Corporate Communion for men on St. Andrew's Day each fall. Also a Corporate Communion for fathers and sons on Washington's Birthday, which falls this year on Ash Wednesday and, therefore, is held, in some Churches, on the Sunday previous, February 19th.

7. First job of all members of the Church is to bring people to Christ. We must have tools to do this with. In Arizona we desperately need Church buildings, With these, more people can be brought into loyal membership, and then we can become independent, self-supporting, taking care of our own Missions. We must build.

8. Every man in this District should be behind this plan. The Presiding Bishop's Committee on Laymen's Work would like to begin by submitting a resolution on this subject which, if adopted by this Convocation, will be presented to the National Council by Dean Carman, who is now attending the meetings of that body.

REPORT FROM ST. LUKE'S SANATORIUM

It was emphasized in the report of St. Luke's Sanatorium for 1948 that it was extremely unlikely that any further increases in the use of the institution could be reported before additional facilities were provided, and statistics for 1949 bear out the statement of a year ago. During 1949 the figures show St. Luke's provided 27,769 patient days of service—virtually the same as the 27,907 patient days provided in 1948.

This means that in 1949, as in the year before, most of the facilities for patients were in use at St. Luke's most of the time . . . and it means further that if care is to be provided for more patients, added facilities must be provided. The Board of Trustees has for some years now had a tentative set of plans for a new unit, which would provide for a surgery as well as for additional patient accommodations in private and semi-private rooms.

The need for a surgery is particularly underlined in one phase of the 1949 report, in which it is revealed that while the total number of patient days declined slightly, leaves of absence for surgery showed a sharp increase. There were 551 days of surgical leave during 1949 as against 403 in 1948—an increase of 148. Leaves are granted to patients so that they may have needed surgery performed at general hospitals. The increasing and effective use of surgery in the treatment of tuberculosis makes it imperative that St. Luke's soon have its own facilities for these surgical treatments if it is to continue its leadership in its field.

The proposed new unit remains as the most outstanding need of St. Luke's Sanatorium for these important reasons: more beds are needed in Arizona for tuberculosis sufferers and the new unit will provide them; St. Luke's very badly needs the additional private rooms which the new unit would afford; the need for a surgery already has been stated, and finally, the new unit is needed as the nucleus for an eventual new hospital.

The estimated total cost of the new unit, including the equipment, is $250,000—and of this the Federal government can be expected to pay about one-half. With money already on hand in the building fund, this leaves in the neighborhood of $100,000 to be raised. "Surely this is not an impossible assignment for us to accept," Bishop Kinsolving said. "It is so little compared with the great good that can be accomplished."

This brief summary of my report to the Board of Trustees for 1949 is presented with gratitude to all who helped St. Luke's during the year—to the medical, nursing, administrative and maintenance staffs of the institution, to the ladies of the Board of Visitors, and the Red Cross Gray Ladies; to the Rev. Donald B. Robinson, our new chaplain, who came to us in September, and to the clergymen of all denominations who helped in making possible the weekly chapel services, and to all others—and there were many—who assisted St. Luke's in carrying on its unceasing fight against tuberculosis. It is our prayer that this help will be continued on an increasing scale until the fight is won.

The complete report for 1949 will be ready in a few weeks and will be published in the St. Luke's Reporter. If you are not receiving the Reporter, send your name and address to St. Luke's Sanatorium, Phoenix, and you will be placed on the list.

REPORT OF CHURCH SCHOOL BY MAIL TO CONVOCATION 1950

The Church School By Mail was instituted for isolated families who do not live within easy distance of a Church and who find it practically impossible to attend Church services regularly or to send their children to Church School every Sunday.

For more than 25 years this unique ministry to the isolated has been springing up and gaining strength throughout the United Startes. And it has been almost entirely the function of the Episcopal Church.

More than thirty-two dioceses and Missionary districts of our Church now have some sort of Ministry By Mail serving some ten thousand people.

The Church School By Mail in Arizona was started six years ago and as a result of your vision, generous gifts and fine cooperation the work has gone forward. There are eighty-four children and fifty families who receive the lessons regularly and from the letters of grateful appreciation that come this work is fulfilling a real need and we pray God it will continue.

The children and their parents contribute to Christmas, Easter and Birthday Thank Offerings and last year we launched our first Every Member Canvass. The result of this last was not overwhelming but it was a start and it is to be an annual thing. The families will learn the joy of giving and will love to do their part I am quite sure.

Many fine volunteer helpers share in the work and our heart warming thanks and appreciation go to them, especially Mrs. Martha Bustard, Mrs. J. C. Sheldon and St. Catherine's Service Club from Trinity Cathedral and Mrs. Donald Robinson, whose chief job is to correct papers of the boys and girls as they are returned to us. Another interested friend is Miss Lucy Jenkins for distribution of her lovely book "Letters To My Godchild." The lesson material comes from the National Council and has all been revised this year under a commission from the Mountain Mission By Mail in New Hampshire. It is attractive, sound and Churchly and has excellent teaching value.

Concerning our needs: 1. May I remind you that we do lose families by removals and we are always looking for new children. Send me the names of prospective children and I will get a letter off with enrollment blank. 2. Additional gifts of money enable us to supplement the teaching with good pictures, prayer cards, story papers, etc. 3. For four years the Church School By Mail Christmas gifts have come from the Cathedral. It is my wish next Christmas another Church might make this their project. Gifts of inexpensive books with Bible stories, prayers or pictures are desired for these gifts.

A brief financial report of the year is attached, also the budget for 1950. With your prayers and interest I can enter the Gate of another year, keeping my hand in the Hand of God, for that is safer than light or a known way.

Respectfully submitted,
MARY F. WARD, Deaconess

REPORT OF SUMMER CONFERENCE COMMITTEE

Your Committee presents the following statement.

1. Two Conferences were held at the Arizona Church Conference Center at Prescott. The attendance at the Youth Conference suffered a decline from 1948, 75 being registered. A Family Conference enrolled 170, about the same as 1948.

2. The enthusiasm and general interest was very marked and the courses presented were most valuable. We commend the Conference of 1950 to all our people. They have earned your response and support and have so much to offer you. The dates are: Youth Conference, June 12-19; Family Conference, June 19-28.

3. The courses presented by Rev. R. L. Sumner, Dean John Krumm and Dean Katherine A. Grammer were outstanding and were attended practically 100 percent by Camp Lane.

4. The kindergarten was in definite operation for the first time, and supplied with playground equipment. This year there will be religious courses for this group.

5. General equipment for recreational purposes is sadly needed to assist in afternoon activities for Camps Cady and Mitchell.

6. Your committee suggests that plans for the operation of Camps Cady and Mitchell be presented, if possible, to the General committee before the opening of Conference, thus making for better coordination.

7. It is hopd that all cabins and dormitories will receive all necessary repairs and be supplied with necessary equipment before June.

8. Plans for 1950 Conferences are practically complete. Now is the time to sell our Summer Conferences as definite methods of Christian Education and Evangelism. Talk about them in Church Schools, Youth Conferences and Parish Organizations—NOW.

Respectfully submitted,
E. O. GALLAGHER, Chairman

REPORT OF THE MEXICAN-AMERICAN MISSIONS

Your Committee for the Mexican-American Missions begs to submit the following report for the year 1949:

There was no call for meetings of the Mexican-American Missions Committee.

The Quota and Assessment of both the Missions, San Pablo and El Buen Samaritano were paid in full.

The keen enthusiasm of the Bishop together with the vital interest of the lay members of the Committee succeeded in raising considerable moneys to aid this important phase of our Church and District Program.

After several years of outstanding missionary work in the Mexican-American Missions, the Rev. Jose Gregori resigned as of March 1 to continue his missionary work in the Diocese of Iowa. Under the able leadership of the Rev. Mr. Gregori the work in this vast mission field grew and increased and a great loss was sustained, especially at the Mission of San Pablo in the southwestern section of Phoenix.

On September 1st the Rev. Walter H. Dugan, formerly Vicar at St. Andrew's, Tucson, returned to the Mexican-American Misssion field to carry on the missionary endeavor at the Mission of San Pablo.

From March until September 1st the Archdeacon provided regular services at San Pablo and also worked with the organizations of the Church. Our sincerest gratitude to the Archdeacon for his splendid work and cooperation.

It is gratifying to report that there have been encouraging increases at Church services at both Missions with a renewed interest in the weekly Church Schools conducted at San Pablo and El Buen Samaritano.

At El Buen Samaritano a new organ, a new cooling system and a new heating system have been installed. These improvements were realized by the generosity of the members of the Mission together with the timely thoughtfulness of the many friends who have grown to know and love this missionary enterprise.

During the summer, May 23rd until the end of August, a Summer School was conducted for pre-school through the fifth grade children with an enrollment of 158 and an average daily attendance of 121 under the leadership of Mrs. Francis A. Sullivan in cooperation with the Golden Gate Settlement. At present, under the same leadership, there is a Pre-school with an enrollment of 78 with a daily average attendance of 53.

In cooperation with the Golden Gate Settlement the Rev. Mr. Sullivan has established a free Medical Clinic with the wonderful assistance of 14 physicians and surgeons.

During the past year there has been a satisfying number of Baptisms and Confirmations and those received from the Roman Communion at both Missions.

The year 1949 is now history and we look with enthusiasm to the great opportunities of 1950 with the grace and help of God and the continued interest of the Mexican-American Mission's Committee together with a renewed interest of those many, many persons who have come to a knowledge of the work at the Missions of San Pablo and El Buen Samaritano.

Respectfully submitted,
FRANCIS A. SULLIVAN, Secretary

REPORT OF GOOD SHEPHERD MISSION, FT. DEFIANCE

Advance marked all phases of the Church's Program at Good Shepherd Mission during the year 1949.

Evangelistic Ministry

In the Evangelistic ministry the appointment of the Rev. Davis Given gave the services of an assistant priest to the Mission. Mr. Given is preparing to enlarge his ministry among the Navajo people by an intensive study of their language. Such study in association with Mr. Howard McKinley, Field Assistant, and his work on

translations puts the Mission in a stronger position to teach the Gospel to the people, 80 percent of whom do not understand English.

Deaconess Brown moved from the coal mine area to the Community House and chapel at Sawmill to strengthen family work in that area. She continues the Director of the Religious Education Program for the Mission.

After 19 years of service to the people of the Fort Defiance area and to the children of Good Shepherd Home, Miss Ella E. Davis retired December 31st. For a time she will remain on the staff of the Mission, a volunteer, to serve the people through the social service projects which she has been carrying on, particularly during the last five years.

Miss Jean Baxter, on educational leave for six months of 1949, prepared to develope field work in relation to teaching English and reading to Shepherd children. Her Appointment, beginning February 1, 1950, was set up by the National Council in December 1949.

No phase of the ministry is more important than interpreting from English into Navajo and teaching directly in Navajo; the Mission is fortunate to have drawn into its daily life the services of seven Navajo workers who combine help in the Child-Caring Program with interpreting in the Evangelistic Field Program.

Under the sponsorship of the Division of Town and Country of the National Council 15 Student Summer Workers made a tremendous contribution to the Field Program, particularly with Navajo children through Vacation Church Schools.

Transportation

Field work in canyon and wide desert country is dependent ever upon good transportation. The gift of two cars and the acquisition of saddle horses by Mr. Given and Mr. Clark increased the effectiveness of the Mission's ministry.

Buildings

Renovation has continued on the buildings at headquarters and after six years of constant rebuilding all are in excellent condition; the furnishings too have been improved.

The congregation of Good Shepherd Chapel paid for the repair and redecorating of that building in November.

After waiting for eight years, work was begun again on the unfinished Thorne Building and by gifts amounting to $4027.16 the first floor was put into use as a place for worship on High and Holy Days when the congregation is far too large for the chapel. At other times this spacious room serves as a place for community gatherings and recreation.

The largest single gift to the Mission was made from the 1949 United Thank Offering of the Woman's Auxiliary. In December the National Executive Board gave $25.000.00 of this offering to be used toward the completion of this much needed Thorne Building.

The staff for this work of the Mission has been increased and definitely strengthened by the appointment of persons who have a desire to give long-time service to children. During and immediately after the war years it was difficult to gather a staff with this sense of permanency. All who helped on temporary appointments made it possible to carry on. Now a program is established which with both buildings and staff assured will continue over a term of years. The special monetary gifts for this service to children amounted to $13,886.51 in 1949 and must be continued annually; generous gifts of clothing, shoes, supplies totalled many hundreds of dollars.

This is the only satisfactory way of helping orphan children who above all else need persons on whom they can depend throughout the childhood and youth years. Seven persons are serving these children; the position of boys' housemother remains unfilled.

The Pre-School Group of 20 children was admitted in February 1949. Because so many children in Navajo country need temporary emergency care and because eight of the original group entered school in September 35 children were served in 1949. This project is financed in part by payments to the Mission by the Department of Indian Affairs on a foster-home boarding plan.

The older children of the Mission family, 40 in all, were home at the Mission for four months' summer vacation. Children in age from two to 18 years have a normal home-life in this large and interesting family. In later years they often return for visits and look to the Mission as their home.

It is by the generous gifts of many organizations and individuals as well as through the appropriations from the National Council and the work of the Navajo people themselves that this Mission advances its ministry and social services in an area of need to an underprivileged group of American people.
